

MICKLEHURST ALL SAINTS CE PRIMARY SCHOOL PE PREMIUM STATEMENT 2016/17

During the academic school year of 2016-2017, the school will receive **£8,709** to improve the quality of sport and PE provision at Micklehurst All Saints CE Primary School. Our vision is to create a culture that encourages all children to be active and have positive attitudes towards physical activity and healthy lifestyles. The impact of this funding will be measured by school and progress of pupils will be highlighted.

The funding will develop a programme which includes:

- High quality physical education as part of the curriculum
- Extracurricular clubs for those wanting to progress skills
- Enough competitive school sport opportunities for those children who want to take part
- Leadership opportunities
- Activities designed to meet the needs of our least active young children through schemes such as skills to play clubs.
- A full and varied PE CPD offer to staff and parents
- A comprehensive action plan for all areas of PE & school sport

We believe high quality physical education and school sport will contribute to a range of outcomes for our children. Not only does it equip young people with physical literacy while supporting their physical development, movement skills and body confidence, but it also contributes to their physical, mental and social well-being.

More specifically the funding will be predominantly targeted in the following ways:

Subscription to Tameside's Sports Partnership (£1000) including

Development of competition (school games)

All children enjoy being appropriately challenged and at a young age most are keen to explore their capabilities. At our school, competitive sport will be focussed on achieving one's 'personal best' rather than being the 'best.'

Children currently experience the following competitive sports: Football, Netball, Dance, Volleyball, Tag Rugby and Athletics in their PE curriculum lessons. Time will be targeted towards lunch time/after school clubs in some of these competitive sports. Experienced and suitably qualified coaches or existing school staff will enable children to be able to learn more about specific sports, receive age-appropriate coaching and practise their skills.

Pupils will be also be encouraged to develop their skills in Inter School competition (Level 2) also. An additional **£500** will be allocated to ensure that children can attend competition with other schools. **£80** will be used for our KS 2 children to participate in the Mossley Olympics alongside the other Mossley and Carrbrook schools.

Development of Young Ambassadors (Sport and Health) support and training

We have currently four children in Year 5 or 6 who are trained to be Young Ambassadors lead games during playtimes and lunchtimes to encourage children to become engaged in physical activity and exercise. This year we will focus on cascading the training to current year 4 pupils in order to provide further young ambassadors to take the lead from September 2016.

Continual Professional Development of teaching staff.

A proportion of £1000 includes professional development opportunities for teachers. These opportunities will predominantly be provided through the 'Tameside School Sport Partnership' which will include Management of Subject Leader start and finish groups to address current PE issues. Other support will support the PE subject leader at Micklehurst All Saints CE Primary school and teachers working alongside qualified sports coaches.

Development of Curriculum PE

There will be an investment of **£1560** spent on developing curriculum PE lessons within EYFS and KS 1. This will be delivered by a bought professional who will deliver dance lessons to our younger children. Where possible, staff will be encouraged to be involved in the lessons and also use assessment to show pupil progress. The recommendations of the new National Curriculum guidelines will be adhered to where possible.

Sports Week

£500 will be spent on providing children with exciting sporting activities during our Sports week in June where children compete in Sports Day and have the opportunity to experience a range of sports including Archery, Judo, Fencing, Yoga, Skipping etc.

Sports Coaches

Approximately **£4203** will be spent on sports coaches in school to provide an enhanced sports provision programme. £3320 is spent on a dance coach for Key stage 2 and an after school dance club. £883 is spent on an after school sports club for the year.

PE resources / equipment.

Approximately **£886** has been put aside for resources and other contingency to ensure we have the opportunity to replace or purchase resources/equipment to deliver high quality PE.

Sustainability & Monitoring

We will endeavour to use the funding to make high quality PE and sport sustainable and effective. Our on-going CPD programme for staff, links with Tameside School Sports Partnership and the use of coaches, volunteers and parents who have links to local clubs to provide further participation opportunities beyond the school day, will help achieve this.

We will also be monitoring all activity to ensure that we can evaluate the effectiveness of the funding and the value for money it brings.

Impact Statement 2016-2017

Action	Cost	Impact
Subscription to Tameside Sports Partnership	£1000	<p>A greater number of pupils have represented school in a range of competitions during the year.</p> <p>Enhanced sporting opportunities have been accessed through the partnership e.g. Gymnastics, Lacrosse.</p> <p>Access to CPD for staff (Yoga, Mindfulness) and pupils (Change for Life Club)</p>
Competition Costs	£500	School has achieved Silver in School Games awards through attendance at a range of competitions.
Mossley Olympic Costs	£80	KS 2 pupils participated in the Mossley Olympics with other primaries in our MCSP
Development of Dance in EYFS and KS 1	£1,560	EYFS and KS 1 have experienced specialised teaching of Dance.
Costs of professionals during Sports Week	£500	Pupils participated in a range of sporting opportunities that they may not experience otherwise.
Sports coaches to develop enhanced Sports Provision Programme	£4,203	<p>Additional after school sports clubs have taken place and been well attended by pupils.</p> <p>Sports coaches have provided CPD for staff and enhanced opportunities for pupils in terms of a wider range of sports.</p>
Purchase of Resources for sport.	£883	New resources have been purchased to support the teaching of PE/Sport.
