English

This half term we will be writing a narrative based around a seaside setting. We have a new exciting text to study called 'The Secret of Black Rock' and we will spend this half term unpicking the text, looking at the authors vocabulary choices and creating our own version of the story.

Computing

We will be learning to recognise different devices that can be used to capture photographs and we will gain experience capturing, editing and improving photos.

Maths

- Identify numbers to 20
- Count objects to 100 by grouping in 10's
- Recognise 10's and ones
- Partition numbers to 100
- Read and write numbers to 100
- Estimate numbers on a number line

Year 2 Curriculum Overview

Autumn Term

The Coast

Geography

This half term we will be looking at the geographical features of the seaside. We will learn about seaside environments; finding out where they are located in the UK and where our nearest seaside resorts are located. We will also consider how seaside resorts have changed since the early 1900's.

Homework

Homework will be set on a Wednesday via Seesaw and will need to be completed by the following Monday. Please listen to your child read at least 3 times a week!

Art

This half term we will be exploring our 'spirals' unit. The children will make marks on a drawing surface. They will explore how the way they hold a drawing tool, and move their bodies, will affect the drawings they make.

PE

This half term the children will have PE on a Tuesday.

Science

This half term in Science we will be looking at Everyday materials. The children will identify and name a range of materials, suggest why a material may not be used for a certain job and will explore how shapes can be changed by bending, stretching, twisting and squashing.

RE

This half term we will look in depth at the Islamic religion. We will find out about the Muslim ways of life and beliefs, so that the children can develop thoughtful ideas and viewpoints of their own about some religious and spiritual questions.
